Welcome Letter

Dear Colleagues,

We are pleased to welcome you to the Romanian Presidency of the Council of the European Union, in the first semester of 2019.

This is the first time Romania takes the responsibility of holding the Presidency and we are committed to a successful cooperation within the European Public Administration Network (EUPAN). We would like to thank the previous presidencies for their sustained work and contribution to EUPAN.

The Romanian Presidency will focus on the following areas:

- Competencies necessary for e-government
- Ethics, an integral part of the organizational culture
- Challenges in the use of electronic services in the public administration
- Impact of strategic planning documents on the central public administration performance

During the Romanian Presidency an upgraded EUPAN Strategy paper and corresponding rolling programme will be drafted and endorsed.

Attached to the letter you will find the schedule of planned events within the EUPAN framework for the upcoming 6 months and the CAF working group.

For any additional information or queries related to EUPAN, please do not hesitate to contact us using the following e-mail address: ro.eupan@anfp.gov.ro.
